

For our headquarters in Geeste, Germany, we are looking for a committed

## Digital Advisor (m/f/d)

### Support our growth course

With 1,000 employees in Germany and abroad and annual sales of over 220 million euros, Klasmann-Deilmann is the leading group of companies in the international substrate industry. Its first-class products meet the highest standards in production horticulture. A modern and family-friendly company awaits you. Driven by strong digitization trends in the horticultural sector, Klasmann-Deilmann has developed a digital service platform - Log&Solve - with the clear ambition to add a digital format to our global advisory service.

### Take on new challenges

- Introduction and roll-out of an innovative digital service platform to customers and sales-partners world-wide
- Customisation of Log&Solve to market specific demands
- Integration and further development of digital tools and services
- Connecting technical advisors and customers of Klasmann-Deilmann
- Training of colleagues and partners in international markets
- Conduction of trials with customers and implementation of new services

### Develop your strengths

- Educational background in horticulture or agronomy with affinity to the horticultural market
- Significant work experience in horticultural business
- Affinity to digital tools and applications
- Innovative mind-set, customer-focus, implementation strength
- Strong communication and team-work skills
- Good language skills in English and German
