

International Trainee (m/f/d) Production

Start your career at Klasmann-Deilmann with our international trainee programme

Klasmann-Deilmann is the world's leading producer of substrates for professional horticulture with an annual turnover of more than 220 million Euros and 1,000 employees globally. Our growing media is used all over the world and is the key success factor for our customers and partners in commercial horticulture.

Our international production trainee programme will prepare you for your future career occupying a key role in our Asian subsidiaries. Your learning journey will start in the course of 2021. Within 12 months you will be trained in different Klasmann-Deilmann locations in Europe and Asia. With a profound training-into-the-job you will expand your knowledge, based on an individual development plan.

That's your profile

- Bachelor or Master degree in Mechanical-, Industrial- or Horticultural Engineering, Production & Logistics or similar
- Intercultural sensibility and competence
- Strong communication skills
- Hands-on mentality, autonomous way of working, solution-oriented attitude
- Highly mobile, ready to travel world-wide, willing to take on assignments in Asia, esp. China
- Interest in Chinese culture and fluent in Chinese language
