For our location in Milanówek, Poland, we are looking for a committed

(Financial-) Accountant (m/f/d)

Growth, innovation, sustainability

We are Klasmann-Deilmann. Our team of around 1,000 colleagues worldwide generates annual sales of around EUR 300 million in over 100 markets. We stand for the quality, innovation and sustainability of a global market leader. Our growing media enable billions of plants to thrive, helping to feed the world's population and create a blooming planet. We are looking for the perfect addition to our team to help us realize our vision of a green planet.

Exciting tasks and opportunities

- Supporting the financial accounting (creditors and debtors accounting) of our Polish sales company
- Record business transactions in the general ledger accounts
- Writing outgoing invoices
- Processing of incoming invoices
- Support in preparing annual financial documents
- General administrative tasks

Develop your strengths

- Commercial education or training in business administration
- Professional experience in accounting
- Independent and reliable working style, flexibility, and team spirit
- Excellent organizational skills and a high level of reliability
- Proficient in MS Office; Experience with SAP is an advantage
- Good knowledge of English or German, both written and spoken
